

Student Registration Form Grades 1-11 (Academic year 2022-23)

Dear Parent/s,

Unicus Olympiads is India's first Summer Olympiad in India, conceptualized by alumni of IIT Delhi, Stanford University, University of Chicago, Oxford University and University of Northern Illinois. These exams promote practical applications of concepts based on what students have studied in previous classes. Hence, the students don't have to memorise for these exams but apply their conceptual understanding.

The registration fees for Unicus Olympiads include

- 3 Online Mock Tests worth Rs. 75 before the Final Exam
